

HOVIONE will offer scholarships to ten participants in the 3PYChem – 3rd Portuguese Young Chemists Meeting.

How to apply:

In order to submit your application, you have to fulfill the following requirements:

- Registration successfully completed in the 3PYChem;
- Submitted abstract accepted;
- Short CV;
- Motivation letter.

Regulations:

- The scholarships will be awarded preferably to young chemists that do not have specific financial support for the participation in scientific conferences;
- The evaluation of the candidates will be performed by the organizing and scientific committees, taking into account the scientific excellence of the young chemists CV's;
- The ten chosen candidates will be awarded with 85 euros and must include the HOVIONE logo in their communication presentations.
